- **Preparation for First — What to Focus on**

Roy Norris, ELT Author

You're preparing students for the Cambridge English: First exam. There's a lot of ground to cover, so what language and skills should you give priority to? What advice can you give students? In this practical talk, I'll address these questions using examples from the brand new coursebook *Straight to First*, as well as supplementary materials I have designed for my own classes.

- **Teaching and Studying English on the Move with YOD (Your Own Device)**

Damien Lonsdale, Digital Consultant

Learning English has become one of the easiest things to do for everyone thanks to technology. You can study anytime and anywhere on your smartphone, tablet or laptop. New technologies offer wonderful opportunities for 'self'-preparation, 'self'-assessment and 'self'-evaluation. Why don't you and your students take advantage of our flexible, motivating and time-saving Online Workbooks and digital learning solutions?

- **Flourish not Flounder: Using Teaching Competences for Professional Development**

Kirsten Holt, Teacher Trainer

What do teaching competency frameworks mean for the teachers of today? We will examine the theory behind teaching competency frameworks and how they are currently being used before exploring how they can be used effectively for professional, evolving development using practical examples from Macmillan Education.

*Sessioni di aggiornamento pedagogico per i docenti della scuola secondaria.
Verrà rilasciato un certificato di esonero ministeriale ai partecipanti.*
