TEACHER TRAINING DAYS**

Post pandemic classroom

*What will work now
and work in the future*

Russell Stannard

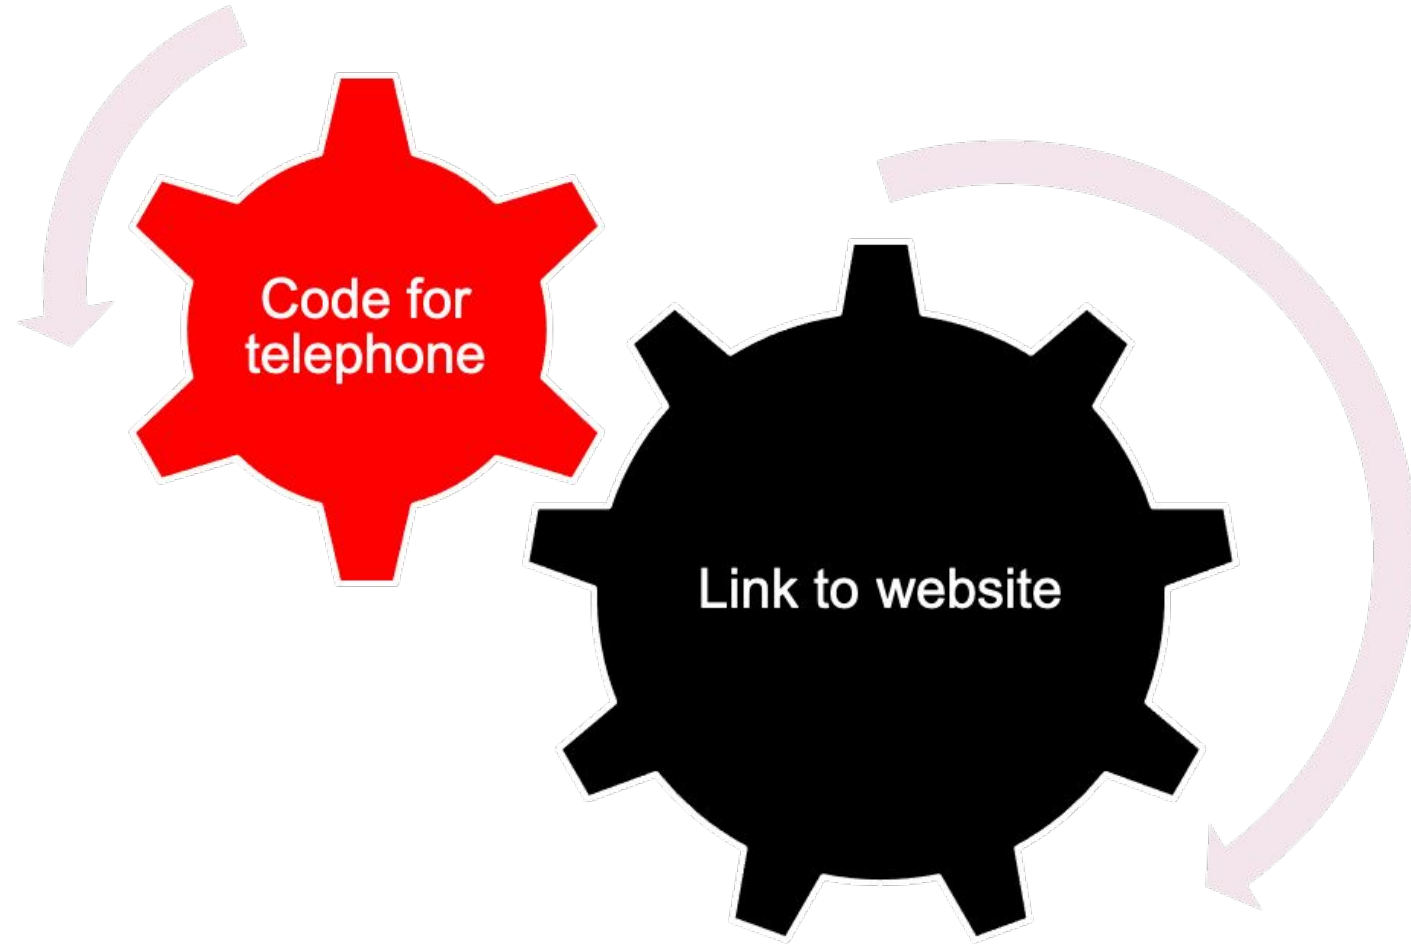

Today's session

- Highly interactive
- Just a few key tools I will take you through and use
- Focus on 3 ways of thinking about useful technologies for now and the future.

Mentimeter

Assessment and Feedback

[Wordwall.NET](https://www.wordwall.net)

QUIZIZZ

How to choose the tools.

- Try to think about the lesson and the homework together- Use technology to **link both parts**.
- Look for technologies that offer **flexibility**-hybrid, online, in class
- Use technology to help you build a picture of your student's **understanding**

Special handout

- Email - russellhandout@gmail.com
- Subject - *Mondadori*
- Write - *Hi Russell, I amfrom*
